## **Guest Comments from Trip Advisor**

**“We stayed at Tauhara Sunrise Lodge for 4 nights between Christmas and New Year. The Chalet was just spectacular with a private spa bath, double shower, enormous, comfy bed and a view of Lake Taupo which is breathtaking.**

**Scrumptious breakfasts were made by Becky each morning with the huevos rancheros (Mexican eggs) being the best I've had outside Mexico.**

**Nothing was too much trouble for the hosts Becky and Rob, who both loved a chat and hosted a great "happy hour" each evening.**

**Finally, and if what I've written hasn't tempted you to make a booking here yet, the hot tub on the deck is hot and available 24 hours and has a magnificent view of the lake. A great way to relax and unwind.**

**All in all, we had a fantastic time as a result of a combination of a stunning lodge, fantastic hosts and great location. I can't recommend it highly enough.”**
